## Unveiling the Hidden Figures of Indigenous History

Far too often, the contributions of Native American women have been overlooked and erased from history. This book rectifies this injustice by shedding light on their remarkable achievements. From ancient leaders to

contemporary activists, these women have played pivotal roles in every aspect of Indigenous life. Their stories will challenge stereotypes, spark dialogue, and inspire a new understanding of the complexities of Indigenous history.

### **Trailblazers in Medicine, Science, and Education**

Meet women like Dr. Susan La Flesche Picotte, the first Native American woman to earn a medical degree, and Dr. Patricia Locke, a groundbreaking epidemiologist who dedicated her life to improving health outcomes in Indigenous communities. Discover the story of Zitkála-Šá, an acclaimed author, educator, and advocate for Native American rights, and Dr. JoAnn Arney, a renowned physicist who shattered barriers in the STEM field.

### **Leaders of Resistance and Resilience**

Witness the courage of women like Sarah Winnemucca, a Paiute leader who tirelessly campaigned for the rights of her people, and Winona LaDuke, a contemporary activist who has led the fight against environmental degradation on Indigenous lands. Learn about Ohiyesa (Charles Eastman), a Santee Dakota writer and physician who tirelessly advocated for Native American self-determination, and Wilma Mankiller, the first woman to serve as Chief of the Cherokee Nation.

### **Artists and Storytellers Who Preserved Culture**

Immerse yourself in the creative world of Native American women who have preserved and celebrated their cultural traditions through art and storytelling. Encounter the exquisite beadwork of Mary Gopher, the haunting melodies of Buffy Sainte-Marie, and the powerful paintings of Kay WalkingStick. Discover the writing of Joy Harjo, the first Native American

U.S. Poet Laureate, and Louise Erdrich, a renowned novelist who has given voice to the Indigenous experience.

## **Empowerment and Inspiration for Today's World**

The stories of these 100 Native American women offer a profound source of inspiration for our time. They remind us of the power of resilience, the importance of cultural preservation, and the urgent need for social justice. By sharing their experiences, these women empower us to challenge stereotypes, break down barriers, and create a more equitable and inclusive society.

## **A Must-Read for Everyone**

Whether you are a student of history, a passionate advocate for Indigenous rights, or simply seeking stories of human triumph and perseverance, *100 Native American Women Who Changed The World* is a book that will enrich your understanding and inspire your soul.

Join the chorus of readers who have been captivated by these remarkable stories. Free Download your copy today and embark on a journey that will forever change your perspective on Native American history and the indomitable spirit of women.

"...a well-researched and comprehensive representation of our Indigenous mothers, sisters, daughters and friends."

—LaDonna Harris (Comanche)  
President and Founder, American Indian Movement

"They have shown us through their contributions that their place in history is well-deserved."

—Jane L. Fitzpatrick,  
*White of Handkerchief: The Story of Susanna*

## **Praise for 100 Native American Women Who Changed The World**

"A groundbreaking work that brings to light the extraordinary contributions of Native American women throughout history. A must-read for anyone interested in Indigenous history, empowerment, and the fight for social justice." - Dr. Kim TallBear, Professor of Native American Studies, University of California, Berkeley

"An inspiring and essential book that reclaims the rightful place of Native American women in the American narrative. Their stories are a testament to the power of resilience, the importance of cultural preservation, and the urgent need for a more inclusive society." - Roxanne Swentzell, Executive Director, National Indigenous Women's Resource Center
