After graduating from high school, Rivera attended the University of California, Berkeley, where she studied business administration. She graduated with honors, and she went on to work as a consultant at McKinsey & Company.

Entrepreneurial Success

In 2009, Rivera co-founded Savor Seattle, a food delivery company. The company was a success, and it quickly became one of the leading food delivery companies in the Seattle area. In 2014, Rivera sold Savor Seattle to Grubhub, and she became a vice president at Grubhub.

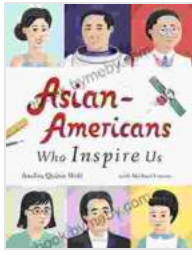

In 2017, Rivera co-founded a new company, Maven. Maven is a healthcare company that provides virtual healthcare services to women and families. The company has been a success, and it has raised over \$100 million in funding.

Philanthropy and Social Justice Work

Rivera is a passionate advocate for social justice. She is the founder of the Kaela Rivera Foundation, a non-profit organization that supports education and leadership development for low-income students. The foundation has provided scholarships to hundreds of students, and it has helped to train teachers and administrators in low-income schools.

Rivera is also a vocal advocate for diversity and inclusion. She is a member of the Asian American Leadership Council, and she has spoken out against anti-Asian racism. She is a role model for Asian Americans, and she is an inspiration to all who know her.

Kaela Rivera is an inspiring Asian American who has made a significant impact on the world. She is a successful entrepreneur, philanthropist, and advocate for social justice. Her story is a testament to the power of hard work, determination, and compassion. She is an inspiration to us all, and she is a role model for Asian Americans everywhere.
