## About the Book

Merry Christmas Strega Nona is a heartwarming Christmas story by beloved author and illustrator Tomie dePaola. The book tells the tale of Strega Nona, a kind and generous witch who lives in a small village in Italy. When the villagers are preparing for Christmas, Strega Nona decides to

make a special Christmas feast for them. But things don't go quite as planned.

Strega Nona's magic pasta pot starts to make more and more pasta, and soon the whole village is filled with pasta. The villagers are all very happy to have so much pasta, but they start to worry when they realize that there's no more room for the other Christmas dishes.

Strega Nona uses her wisdom and kindness to find a way to save the Christmas feast. She teaches the villagers the importance of sharing and giving, and she helps them to understand that the true spirit of Christmas is not about the food, but about the love and kindness that we share with others.
