A must-read for any healthcare professional

In *From Code Blues to Code Browns*, Dr. Jessica Zitter provides a practical guide to providing compassionate and effective care in the face of challenging situations. This book will help you to:

- Identify and manage the most common medical emergencies
- Provide emotional support to patients and families
- Take care of your own mental and physical health

With its clear and concise writing style, *From Code Blues to Code Browns* is an essential resource for all healthcare professionals who want to provide the best possible care to their patients.

About the Author

Dr. Jessica Zitter is a board-certified emergency medicine physician and the author of the popular blog, "The Doctor's Guide to Surviving Residency." She is passionate about helping healthcare professionals to provide the best possible care to their patients while also taking care of their own mental and physical health.
