- Set clear and achievable goals
- Overcome obstacles and challenges
- Maximize your potential
- Live a fulfilling and meaningful life

The Revised and Expanded Edition of "How To" includes:

- **Never-before-seen material** on goal setting, motivation, and personal growth
- **Updated case studies and examples** to illustrate the principles in action
- **An exclusive workbook** to help you apply the lessons to your own life

Why "How To" is the Book You Need

"How To" is not just another self-help book. It's a proven system that has helped millions of people achieve their dreams. Here are just a few of the reasons why you need this book:

- **It's based on sound principles.** The strategies in "How To" are rooted in psychology, neuroscience, and other scientific disciplines. They're not just empty promises; they're backed by evidence.
- **It's practical and actionable.** "How To" doesn't just tell you what to do; it shows you how to do it. Each chapter includes step-by-step instructions and exercises that will help you put the principles into practice.
- **It's motivating and inspiring.** "How To" is full of real-life stories of people who have used the principles to achieve their goals. These stories will inspire you to believe in yourself and your ability to succeed.

What Readers Are Saying

"How To is a life-changing book. It taught me how to set goals, overcome obstacles, and live a life of purpose. I highly recommend this book to anyone who wants to achieve success." - **John Doe**

"I've read a lot of self-help books, but 'How To' is the only one that has actually helped me make a lasting change in my life. The principles in this book are powerful and effective. Thank you, Les Brown, for writing this amazing book!" - **Jane Smith**
