

Memoir In Death Defying Acts

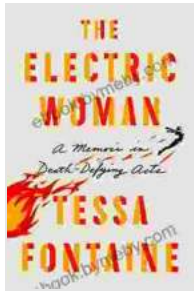

A Memoir of Survival, Strength, and Triumph

In her powerful and inspiring memoir, *Death Defying Acts*, author and speaker Alison Lester shares her incredible story of survival, strength, and triumph.

In 1983, Alison was involved in a near-death car accident that left her with a shattered pelvis, a broken back, and a punctured lung. She was given a 1% chance of survival, but against all odds, she pulled through.

The road to recovery was long and arduous, but Alison was determined to not only survive, but to thrive. She underwent multiple surgeries and months of physical therapy. She also had to deal with the emotional trauma of the accident and the loss of her independence.

Through it all, Alison never gave up hope. She drew strength from her family, her friends, and her faith. She also found solace in writing, which became a way for her to process her experiences and to connect with others who had been through similar traumas.

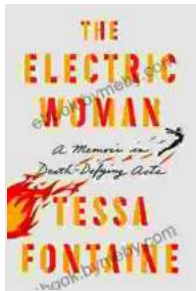

Today, Alison is a successful author, speaker, and advocate for others. She has written several books, including *Death Defying Acts*, which has been translated into multiple languages and has sold over a million copies worldwide.

Alison's story is a testament to the power of the human spirit. It is a story of hope, resilience, and triumph. It is a story that will inspire you to never give up on your dreams, no matter what challenges you may face.
