A heartwarming and inspiring story of a year spent exploring the great outdoors with a new puppy. With stunning photography and heartwarming anecdotes, Puppy Leash will make you want to lace up your hiking boots and hit the trails with your furry best friend.

From the Author

I've always loved dogs, and I've always loved hiking. So when I finally got my own puppy, I was excited to take him on all my favorite trails. But I quickly realized that hiking with a puppy is a whole different ball game than hiking with an adult dog.

Puppies are full of energy and curiosity, and they're not always the best at following commands. They also have a tendency to get into trouble, especially if they're not properly supervised. But despite all the challenges,

hiking with my puppy was an incredibly rewarding experience. It was a chance to bond with him, to explore new places together, and to create memories that will last a lifetime.

In this book, I share my story of hiking with my puppy, Bear. I talk about the challenges we faced, the lessons we learned, and the amazing adventures we had. I also include tips and advice for other people who are thinking about hiking with their puppies.

I hope this book inspires you to get outdoors with your furry friend. Hiking with a puppy is a great way to bond with your dog, explore new places, and create memories that will last a lifetime.

What Readers Are Saying

"Puppy Leash is a heartwarming and inspiring story of a year spent exploring the great outdoors with a new puppy. With stunning photography and heartwarming anecdotes, Puppy Leash will make you want to lace up your hiking boots and hit the trails with your furry best friend." - Our Book Library reviewer

"I loved reading about the author's adventures with her puppy, Bear. It was inspiring to see how much they bonded and how much fun they had together. I also learned a lot of helpful tips for hiking with a puppy." - Goodreads reviewer

"Puppy Leash is a must-read for any dog lover. It's a heartwarming and inspiring story that will make you want to get outdoors and explore with your furry friend." - BookBub reviewer
