Join Fred, Wilma, Barney, and Betty as they embark on wacky adventures showcasing how everyday objects utilize levers, pulleys, wedges, screws, and inclined planes. From Fred's trusty lever to Wilma's clever pulley, Barney's mighty wedge to Betty's handy screw, and Pebbles' playful inclined plane, kids will discover the fundamental concepts of simple machines in a fun and engaging way.

Written by renowned STEM educator Dr. Jane Smith, 'Rampin' Good Time: Flintstones Explain Simple Machines' aligns with national science standards and national STEM guidelines.

- Perfect for ages 6-8
