From a young age, the author struggled with mental health issues. She was anxious, depressed, and had low self-esteem. When she was 16, she started drinking and using drugs to self-medicate. Over time, her addiction spiraled out of control, and she lost everything—her job, her apartment, her friends, and her family.

At her lowest point, the author was living on the streets and panhandling for money. She was physically and emotionally broken, and she had given up all hope. But then, something happened that changed her life forever. She

met a woman who had been through a similar experience, and who showed her that recovery was possible.

With the help of her newfound mentor, the author slowly began to rebuild her life. She got sober, found a job, and started going to therapy. It was a long and difficult road, but she never gave up. And today, she is a happy and healthy woman who is living proof that addiction can be overcome.

Story Of My Long Journey Through The Horror is a powerful and inspiring story of hope, resilience, and survival. It is a must-read for anyone who has ever struggled with addiction or mental health issues. And it is a reminder that no matter how dark life may seem, there is always hope.
