Take to the Hills: Clothing the Sierra Madres is the first comprehensive guide to this fascinating clothing tradition. This book is a must-have for anyone interested in the history of fashion, textiles, or the American West.

The book is divided into two parts. The first part provides a general overview of the clothing worn by the people of the Sierra Madres. This section covers topics such as the materials used to make clothing, the

different types of clothing worn by men and women, and the ways in which clothing was decorated.

The second part of the book is a detailed catalog of over 200 garments from the Sierra Madre Mountains. Each garment is illustrated with a full-color photograph and a detailed description. The descriptions include information about the garment's materials, construction, and history.

Take to the Hills: Clothing the Sierra Madres is a beautiful and informative book that is sure to appeal to a wide range of readers. This book is a valuable resource for anyone interested in the history of fashion, textiles, or the American West.
