On June 5, 1968, Robert F. Kennedy was assassinated at the Ambassador Hotel in Los Angeles. The assassination shocked the nation and sent shockwaves around the world. Kennedy was a leading contender for the Democratic presidential nomination and was seen as a potential successor to his brother, John F. Kennedy, who had been assassinated five years earlier.

The assassination of Robert Kennedy was a major turning point in American history. It marked the end of the era of innocence and optimism that had followed World War II. The assassination also led to a decline in public trust in the government and the political system.

In *The Assassination of Robert Kennedy*, author Robert Dallek provides a detailed account of the events leading up to and following the tragedy. Dallek draws on a wealth of research, including interviews with key witnesses and participants. He provides a gripping narrative that recreates the events of that fateful night and explores the motivations of the assassin, Sirhan Sirhan.

Dallek also examines the broader context of the assassination, including the political climate of the time and the rise of the counterculture. He

argues that the assassination was a product of a toxic combination of political violence and personal instability.

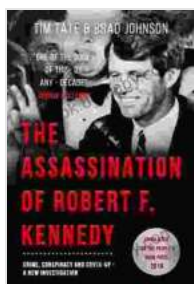

The Assassination of Robert Kennedy is a must-read for anyone interested in American history or true crime. Dallek's gripping narrative and insightful analysis provide a deeper understanding of this tragic event and its lasting impact on American society.

Praise for *The Assassination of Robert Kennedy*

"A gripping account of a tragedy that changed American history." - The New York Times

"A masterful work of scholarship and storytelling." - The Washington Post

"A must-read for anyone interested in the Kennedy assassination or American history." - Kirkus Reviews
