An Essential Resource for Prospective Students

The International Student Guide To American Colleges is the essential resource for prospective international students. This comprehensive guide provides everything you need to know about the American college application process, from choosing the right schools to applying for financial aid.

Whether you're just starting to think about studying in the US or you're already in the application process, this guide will help you every step of the way.

What's Inside the Guide?

- A step-by-step guide to the American college application process

- Profiles of over 100 top American colleges and universities
- Information on financial aid and scholarships for international students
- Advice from international students who have been through the process

Why Choose the International Student Guide To American Colleges?

- It's the most comprehensive guide available for international students.
- It's written by experts who have been through the process themselves.
- It's up-to-date with the latest information on the American college application process.
- It's affordable and accessible to students of all backgrounds.
