- The purpose and function of definitions
- The different types of definitions
- The essential components of a well-crafted definition
- Strategies for finding and evaluating definitions

SIMPLE SENTENCE

WHAT IS A SIMPLE SENTENCE?

- A simple sentence is a sentence composed of one independent clause and doesn't contain any depend or subordinate clauses. Like any other sentence, it has a subject and a predicate, and it is intended to express a complete thought.
- A simple sentence is also referred to as a clausal sentence. In addition to the subject, verb, and object, a simple sentence may also have a modifier.

TYPES OF SIMPLE SENTENCES:

There are two forms of simple sentences. Based on the structure, they include:

Compound Verbs and Compound Subjects	Single Subject and Single Verb
<p>Some sentences are composed of one subject and at least two verbs. There are also sentences composed of one verb and multiple subjects.</p> <ul style="list-style-type: none">• The teacher taught and left (compound verb)• James and John climbed to the top of the hill. (Compound noun)	<p>This kind of simple sentence comprises of a single verb and a single subject.</p> <ul style="list-style-type: none">• The candidates did well.• He bought it at a discounted price on Amazon.• A pair of blue trousers look great.• You have to work hard to become successful.

MORE EXAMPLES OF THE SIMPLE SENTENCE:

- Ann every day goes to the shop to buy goods.
- Perhaps the deterioration of the country's economy has already begun.
- The management of your school has performed its roles perfectly.
- People who reside in leaky houses should repair their roofs.
- They have lost the top skilled workforce to England, Spain, and France.
